

One Third of Libya Turns Out to Support Qaddafi in World's Largest March Ever

Written by Administrator

Saturday, 03 September 2011 11:43 -

1.7 million people, or around 95% of the population of Tripoli, one third of the entire population of Libya, have turned out in perhaps the largest demonstration ever in world history last Friday, to demand an end to the NATO bombings of Libya. Photos: Mohammed Magam

One Third of Libya Turns Out to Support Qaddafi in World's Largest March Ever
